

HWTf TOBACCO-FREE COLLEGES GRANT AWARDS

	ORGANIZATION	Counties	Campuses	Phase I	Phase II	Summary
1	Alamance Community College	Alamance			\$74,967	Grantee will provide a variety of incentives, services, educational activities, initiatives and public education efforts to assist Alamance Community College students with smoking prevention or cessation.
2	Albemarle Regional Health Services	Beaufort Chowan Dare Edgecombe Halifax Hertford Martin Pasquotank	Seven (7) CCs Chowan College	\$289,960		The grantee will partner with the regional health partnership for a planning project for eight college campuses serving nine counties in northeast North Carolina. The activities will complement and reinforce work being done by the Teen Tobacco Use Prevention and Cessation Initiative grantee by addressing tobacco use and secondhand smoke exposure for college students.
3	American Lung Association of North Carolina	Cumberland Durham Forsyth Pasquotank Wake	Elizabeth City State Fayetteville State NCCU Shaw WSSU	\$38,500		The grantee will support 'Freedom from Smoking' clinics in Historically Black Colleges and Universities in North Carolina. Proposed activities include student cessation services and peer education through student health staff and student service organizations.
4	Appalachian State University	Watauga			\$75,000	Grantee will promote, support and aid in the adoption of and compliance with a university-wide tobacco policy that will comply with North Carolina legislation.
5	Asheville-Buncombe Technical Community College	Buncombe Madison		\$80,000		The grantee will implement a 100% Tobacco Free campus policy based on a model program designed at Ozarks Technical Community College in Missouri. Proposed education, prevention, cessation and policy activities will be accomplished through partnerships with Mission Hospitals and Project ASSIST Buncombe County.
6	Caldwell Community College and Technical Institute	Caldwell Watauga		\$40,000		The grantee will support a college-based, community-supported planning group to provide research, analysis and publication of data concerning health and social risks of tobacco use; education of students, employees and others about those risks and the benefits of tobacco use cessation; and creation of a community-based action plan to reduce rates of tobacco usage among students and employees.
7	Cleveland Community College	Cleveland Gaston Lincoln Rutherford		\$40,000		The grantee, a community college with campuses in Cleveland, Gaston, Lincoln and Rutherford Counties, proposes a Planning Project in partnership with the Cleveland County Schools and the Cleveland County HealthCare System. The proposed project will plan the development of tobacco cessation and preventive units to be included in courses taught on campuses and an awareness campaign.
8	East Carolina University	Pitt		\$79,930	\$70,000	The grantee will implement an expanded comprehensive tobacco use prevention and cessation program.
9	Elizabeth City State University	Pasquotank		\$39,996		The grantee will analyze current attitudes, knowledge and behaviors of students regarding tobacco usage and determine the effect of university smoking policies on these behaviors. Activities will include developing a coalition of university and community partners to address the issues of Tobacco Use Prevention and Cessation on campus and create a plan of implementation for campus-wide smoking prevention and cessation and health promotion activities.
10	Fayetteville State University	Cumberland		\$40,000		The grantee will develop a campus-wide Tobacco Education, Prevention and Cessation Program. Proposed activities will target the entire campus population with specific emphasis on incoming freshmen and female students and will include surveying the campus to assist initial assessment and establishing a core team of students, faculty and staff to create an action plan.
11	First Health of the Carolinas	Hoke, Montgomery, Moore, Richmond, Scotland	Four (4) area community colleges		\$75,000	The grantee will develop a regional community college task force to coordinate tobacco use prevention awareness activities, promote cessation services and conduct grassroots policy advocacy for tobacco-free campus environments.
12	Guilford County Department of Public Health	Alamance, Davidson, Forsyth, Guilford, Rockingham	Nineteen (19) area community colleges		\$275,000	Guilford County DOH proposes to serve the Triad area, promoting tobacco-free policy and evidence-based cessation and prevention on 19 campuses. These campuses include three HMCUs (Bennett College, NC A&T University and Winston-Salem State University).
13	Lenoir County Health Department	Greene Jones Lenoir		\$40,000		The grantee, a health department providing services in Greene, Jones and Lenoir Counties, proposes a Planning Project in conjunction with Lenoir Community College to reduce tobacco use among college students. Proposed activities include development of a plan to adopt a Tobacco Free Policy on the campus, create peer educators/advocates, provide training and technical assistance and build collaborative relationships within the surrounding communities.
14	Mecklenburg County Health Department	Anson, Cabarrus, Catawba, Cleveland, Gaston, Jackson, Lincoln, Mecklenburg, Rowan, Stanly, Union	Seventeen (17) colleges	\$200,000	\$275,000	The grantee will continue to work in tobacco prevention, cessation and policy development with 17 colleges in an 11 county region.

HWTf TOBACCO-FREE COLLEGES GRANT AWARDS

	ORGANIZATION	Counties	Campuses	Phase I	Phase II	Summary
15	Montreat College	Buncombe, Mecklenburg			\$74,755	The College recognizes a responsibility to provide a healthy environment to all students and staff and requests funding for the implementation of a Tobacco Free Campus.
16	Moses Cone-Wesley Long Community Health Foundation	Guilford	Seven (7) public and private institutions in Guilford County	\$61,310		The grantee will serve seven diverse institutions, including state universities, private colleges, community colleges and Historically Black Colleges and Universities, in partnership with the Guilford County Department of Public Health. The proposed Implementation Project will continue activities from the HWTf Phase II grant, providing comprehensive services and training students to become advocates for tobacco free lifestyles and smoke free environments.
17	North Carolina Agricultural and Technical State University	Guilford		\$80,000		The grantee will expand a successful tobacco education radio project, utilizing the Blackboard e-learning platform to train student nurses as peer counselors and providing smoking cessation treatment for students.
18	North Carolina Central University	Cumberland Durham Forsyth Guilford Mecklenburg Pasquotank Robeson Rowan Wake		\$164,153		The grantee will teach a tobacco policy course, monitor and encourage compliance with the newly adopted smoke-free dorm policy, and develop prevention materials and a website to make information available to other HMCUs working on tobacco issues.
19	Pitt Community College	Pitt			\$67,846	Pitt Community College will use grant funds to plan, design and implement effective measures to ensure a smoke-free campus.
20	Rowan Cabarrus Community College	Cabarrus, Rowan			\$45,000	RCC plans to establish a formal smoking restrictions policy, eliminate second hand smoke exposure and promote cessation through literature and programming.
21	SAVE (Survivors and Victims of Tobacco Empowerment) of NC GASP	Statewide	N/A	\$80,000		The grantee will provide information and support to college-based programs through cooperative efforts between the student advocates and individuals who have suffered from tobacco-related illnesses. Proposed activities include training and encouraging survivors to support college initiatives and offering internships for students to serve as liaisons between college campuses and survivor activities.
22	Surry County Health and Nutrition Center	Surry	Surry Community College	\$39,000	\$73,750	Grantee will work to prevent the initiation of tobacco, eliminate exposure to secondhand smoke, promote tobacco cessation resources and eliminate tobacco-related health disparities among young adults ages 18-24, on Surry Community College campuses.
23	UNC - Pembroke	Bladen, Columbus, Cumberland, Moore, Richmond, Robeson		\$39,290	\$75,000	The grantee will develop and implement a comprehensive tobacco prevention and control program plan with emphasis on policy, which also includes cessation, industry marketing/promotion and prevention education.
24	UNC - Chapel Hill	Orange		\$120,000		The grantee will partner with the student population to identify the stressors leading to tobacco use and develop strategies that will successfully impact those behaviors. Proposed activities reflect the mission outlined in Healthy Campus 2010 which seeks to enhance the quality of life for all students.
25	University of North Carolina at Wilmington	New Hanover		\$75,243		The grantee will develop and implement 'Fresh Air', a comprehensive tobacco use prevention, cessation and secondhand smoke elimination program. Proposed activities include in-person cessation services coordinated with technology options; student prevention education training and presentations; and policy development, advocacy and implementation.
26	Wake Tech Community College	Wake			\$75,000	The grantee will initiate Tobacco-Free for the Community, an innovative program to transform all Wake Tech campuses into completely smoke-free environments.
27	West Piedmont Community College	Burke			\$75,000	The grantee will develop a comprehensive program plan that will involve campus and external organizations to tailor tobacco education and cessation tools to individual needs.
28	Wilkes Community College	Allegheny, Ashe, Wilkes		\$80,000	\$75,000	The grantee will expand the efforts to prevent initiation of tobacco use among its college age students, eliminate exposure to secondhand tobacco smoke on the college campus, educate students about tobacco prevention and cessation and eliminate tobacco related health disparities among college age students.
29	Wilson Technical Community College	Wilson		\$60,000		The grantee will plan, design and establish effective measures to ensure a smoke free campus. Proposed goals include educating students, faculty and staff about health and wellness issues that are related to smoking, establishing an on-going campus wide Task Force to initiate a smoke free campaign on campus, and educating the campus community about the benefits of having a smoke free environment.
